# Welcome

Welcome to your new prescription benefit plan. We will be working with Dean Vesling & Associates, Inc to administer the prescription benefit portion of your health plan.

## Your prescription plan offers two ways to get your medications:

- For medications taken for a short time (like an antibiotic), fill anywhere in our network of more than 68,000 pharmacies nationwide, including chain pharmacies, 20,000 independent pharmacies and 9,600 CVS Pharmacy locations (including those inside Target stores).
- For medications taken regularly (such as for high blood pressure or diabetes), get them delivered to your door. To sign up for mail service, choose either option below:
  - Register at **Caremark.com/startnow** and follow the instructions to request a new 90-day prescription.
  - Call the Customer Care number on the back of your prescription ID card.

## Here are some additional services we offer:

- CVS Specialty™ is designed for individuals with rare, complex or genetic conditions. Our specialty pharmacy offers convenient delivery of specialty medications or pickup at CVS Pharmacy\*, personalized service and educational support for your specific treatment. CVS Specialty also offers access to a clinical pharmacist anytime for any questions that may come up.
- Specialty Guideline Management (SGM) promotes the appropriate use of biotech/specialty medications and monitors patient safety.

## Caremark.com is an easy way to make the most of your prescription benefits:

- Find network pharmacies
- Refill medication and check order status
- Check drug costs
- See your prescription history

## Welcome to Meritain Health® Pharmacy Solutions (MPS)

## Your prescription for a healthier budget

Your prescription drug benefit—available when you need prescriptions filled—is administered by Meritain Health® Pharmacy Solutions (MPS), powered by CVS Caremark. You can visit more than 65,000 retail pharmacies nationwide to fill your prescriptions. You also have access to clinical pharmacists for information and support.

## Controlling your prescription copay

To get the most from your benefits plan, it pays to be a wise consumer. In many cases, you can control how much your share of costs will be when you fill a prescription. How? Generic drugs cost less to manufacture and they're just as effective as the name brands. You'll save money when you request them because generics have a lower copay than preferred or non-preferred drugs.

## The Performance Drug List

Also called a formulary, the Performance Drug List is created by pharmacy experts and lists FDA-approved, safe, effective and economical drugs.

How the Performance Drug List works:

- Drugs are added to the list on a quarterly basis.
- Brand-name drugs can be removed at the end of the calendar year.
- Every January, the list is updated and available.
- If a generic becomes available, the brand-name drug will become a non-preferred drug, and may only be available for a higher copay.
- When a generic drug becomes available, you'll pay the lowest copay if you choose the generic.

## Why generics make sense

Because companies that develop new drugs have long-term patent protection for their products, other drug companies are prevented by law from manufacturing those drugs—even if they can produce them less expensively.

When patents expire, other companies can make equivalent drugs, usually at a much lower price. Generic equivalents go through rigorous FDA testing regularly to assure that they are just as effective as the brand-name drugs.

Consider all of the compelling reasons to protect your pocketbook with the lower-price generic drugs:

- Generics can cost up to 75 percent less than their brand-name equivalents.
- FDA testing is exactly the same for generic and brand-name drugs.
- Generics contain the same active ingredients as the original, brand-name drug, in the same amounts and dosages.
- Generic drugs sometimes look different from the original brand-name drug in color or shape, but only because they may have different inactive ingredients that won't change how the drug works.
- Nearly half of all brand-name drugs have generic equivalents—but you may have to ask for them.
- Generics have the lowest copay under this plan, so you save on every prescription.

**Note:** to see whether a prescription drug is generic, preferred or non-preferred, check the list in the appendix of this packet.

## Easy on your time—three ways to get your prescription drugs

Your plan is designed with your time in mind. Use any of these three prescription options.

### At your local pharmacy

When you need a prescription for 30 days or less, have it filled at a participating pharmacy. Just show the pharmacist your Meritain Health ID card and pay your copay at the time of your purchase. If the pharmacy you choose is not in-network and your plan allows reimbursement for out-of-network pharmacies, you'll pay the entire cost at the time of purchase, then submit a claim for reimbursement. You'll receive the same amount that a participating pharmacy would receive, minus your copay.

### By mail order

If you have a chronic condition and you take medication for it for long periods of time, you may fill a larger quantity prescription all at once. With CVS Caremark, you can request to receive your medication by mail or may pick it up at a local CVS pharmacy. Ask your doctor to write two prescriptions—one for 30 days, and one for 90 days. Fill the 30-day prescription at a network pharmacy. Then complete a mail order form and send it, along with the original 90-day prescription signed by your doctor and your copay, to the address on the form.

### Online

You can also fill 90-day prescriptions by logging into [www.Caremark.com](http://www.Caremark.com). Again, ask your doctor for two prescriptions. Before you request your prescription online, fill the 30-day order at a network drug store, and send (or ask your doctor to send) the 90-day prescription to the address shown on the website. Simply use a credit card to pay your copay.

## Prescriptions and Caremark.com

By logging in to [www.Caremark.com](http://www.Caremark.com), you can:

- Order new prescriptions.
- Check the status of your online order.
- Find a nearby network pharmacy.
- Check on the price of a drug.
- Research drugs, supplements and vitamins.
- Learn more about your coverage.

## Not every drug is covered

The plan does not include benefits for over-the-counter medications or drugs used for cosmetic purposes. There may be other exclusions. Meritain Health Pharmacy Solutions Customer Service can help you if you have questions, or refer to your more complete SPD.

## Certain drugs must be approved

If your prescription is for a very expensive drug, or one that can be easily abused, prior authorization may be required. Trained professionals review these prescriptions for your protection. You may need a new written prescription from your doctor for each refill. For more information, see your SPD or contact Meritain Health Pharmacy Solutions Customer Service at **1.866.475.7589**.

## Pharmacist support

When you have questions or concerns about your medication, it helps to consult a pharmacist. CVS Caremark pharmacists are available, in person or by phone, to provide all the information you need for a positive health care experience.

### Helpful tip

Be sure to bring your Meritain Health ID card with you to the pharmacy when filling prescriptions. This will ensure that you receive your full benefits.

# Specialty medications plus support just for you

## Making it simpler for you

A specialty medication is used to treat complex and chronic conditions like rheumatoid arthritis, psoriasis, rare genetic disorders, fertility and cancer. Most specialty medications require prior authorization. This just means we need to make sure you meet all the requirements in order for your plan to cover certain medications before they are filled. We'll work to get you your medication as quickly as possible.

### Personalized support to stay on track

You have access to a team led by pharmacists and nurses who are specially trained in conditions like yours. Your CareTeam can:

- Remind you when it's time to refill
- Help you manage symptoms and side effects
- Check dosage and medication schedules, and give advice on taking your medication correctly
- Track how well your medication manages your condition

### Managing your Rx's anytime, anywhere

Register for an account at **CVSspecialty.com** or download our mobile app to:

- Refill your prescription
- Check order status and track refills
- Chat with your CareTeam

### Convenient delivery

You can have your medication delivered anywhere nationwide, even if you're on vacation. Or you can pick it up at any CVS Pharmacy® location.\*

## How to get started

Register on  
**CVSspecialty.com**

### Existing prescriptions?

Call 1-800-237-2767  
(TTY: 711) to transfer your prescription

### New prescriptions?

Your doctor can:

- e-Prescribe to CVS Specialty
- Call our CareTeam at 1-800-237-2767 (TTY: 711), Monday through Friday, 7:30 AM to 7:30 PM (local time)
- Fax the prescription to 1-800-323-2445

\*Specialty delivery options are available where allowed by law. In-store pickup is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by CVS Specialty and certain services are only accessed by calling CVS Specialty directly. Certain specialty medication may not qualify. Services are also available at Long's Drugs locations.

## Prior Authorization

.....

# Some medications need special approval.

Prior authorization (PA) is an extra level of approval that benefit plans require for certain medications.

A PA makes sure that you're getting the right medication for your condition. It may also help keep costs down so you don't overpay.

### When is a PA required?

It depends on your benefit plan. Here are common reasons a PA is needed:

- There may be a lower cost option that's just as effective.
- The medication has potential for misuse or abuse.
- The medication is for certain conditions or diagnoses.

### How does a PA get started?

You or your pharmacy can ask your doctor to start a PA. Then, your doctor sends us a PA by phone, fax or electronically. (We offer electronic PA submission that often provides a decision instantly.)

### How does it work?

We gather additional information from your doctor that's required by your benefit plan. This information helps determine if the prescription is covered. We notify you and your doctor whether your PA is approved or denied as soon as possible – usually within a few days.

Prior authorization may help keep your medication affordable.

## Do I need a PA for refills?

Sometimes. A PA is valid for a limited amount of time, so you may need a new PA for refills.

## What can I do if my PA is denied?

You have several options:

- Ask your doctor if there's another medication that's just as effective.
- Choose to pay for the medication yourself.
- Submit an appeal by following the steps in your denial letter.

---

To check your PA status, sign in at **Caremark.com**. Select Plan and Benefits, then click Prior Authorization from the pull-down menu.

## Your CVS Caremark Mail Service Pharmacy

How would you like to have your long-term medicine conveniently delivered to your home or office? Not only will it save you time and trips to a participating retail pharmacy, you may also save money! With mail service, you can receive up to a 90-day supply of your medicine for a copay\* that may be significantly less than you would pay at a participating retail pharmacy.

With the CVS Caremark Mail Service Pharmacy you can:

- Receive an extended supply of medicine.
- Enjoy the convenience of having your medicine delivered to a location of your choice—home, office or vacation spot.
- Speak to a registered pharmacist 24 hours a day, seven days a week.
- Order prescriptions and get health information online at [www.caremark.com](http://www.caremark.com).

## Getting started

If you need your prescription filled right away, ask your doctor to write two prescriptions for your long-term medicines:

- The first for a short-term supply (e.g., 30 days) to be filled right away at a participating retail pharmacy.
- The second for the maximum days supply allowed (up to a 90-day supply) with as many as three refills (if appropriate) to be mailed to CVS Caremark Mail Service Pharmacy.

If you're not in a hurry, just mail your prescription for a 90-day supply (with any appropriate refills) to CVS Caremark.

## Filling out the mail service order form

Follow these five steps to fill out the mail service order form:

### Step 1—Benefit ID number

Fill in your ID number from your member ID card. (On your next order, your ID number will be pre-printed on your order form.)

### Step 2—Address

Fill in your complete address. Be sure to fill in the oval if the address listed is a one-time only address.

This section of the form is titled "Step 2—Address". It includes a "Mail this form to:" address: CVS CAREMARK, PO BOX 94467, PALATINE, IL 60094-4467. A large blue circle with the number "1" is placed over the "Enter ID # below if not shown or if different from" field. Another large blue circle with the number "2" is placed over the "Shipping Address" section, which includes fields for Last Name, First Name, MI, Suffix (JR, SR), Street Name, Apt./Suite #, City, State, and ZIP Code. There are also checkboxes for "New Prescriptions" and "Refills".

### Step 3—Prescription information

Provide the requested information for the first person for whom a prescription(s) is being submitted.

- Indicate if you would like your order to include easy-open caps. All orders are normally shipped with safety caps or dual-purpose caps (which can be converted from child safe to easy open).
- Be sure to completely fill out your doctor's first name, last name and phone number.
- Fill in the ovals under Allergies if you are allergic to any drugs or foods. If you do not see the allergy listed, fill in the Other oval and write in the allergy.
- Fill in the ovals under Conditions if you have any health conditions. If you do not see your health condition listed, fill in the Other oval and write in the health condition.

This section of the form is titled "Step 3—Prescription information". It includes a "Tell us about the people getting prescriptions" section with checkboxes for "1st person with a refill or new prescription" and "2nd person with a refill or new prescription". There are fields for "Your E-Mail:", "Doctor's Last Name", "Doctor's Phone #", "Birth", and "Date new prescription written:". Below this is a "Tell us about new allergies or health information" section with checkboxes for various conditions and allergies. A large blue circle with the number "3" is placed over the "Birth" field.

**3a.** Provide the requested information for the second person for whom a prescription is being submitted (if applicable). If this is the case, provide the same information as Step 3.

**3a** 2nd person with a refill or new prescription. This person needs: ☐ Easy open caps ☐ Spanish forms and labels

LAST NAME FIRST NAME M Suffix (JR, SR)

MIDDLE NAME Gender: ☐ M ☐ F Date of Birth: MM-DD-YYYY

Your E-Mail: Date new prescription written:

Health Information: ☐ Arthritis ☐ Asthma ☐ Acid Reflux ☐ Glaucoma ☐ Heart Problem ☐ High Blood Pressure ☐ High Cholesterol ☐ Migraine ☐ Osteoporosis ☐ Prostate Issues ☐ Thyroid

### Step 4—Method of payment

Fill in the appropriate oval for your method of payment. You can pay using an electronic check, Bill Me Later® or credit/debit card (VISA®, MasterCard®, Discover® or American Express®). If you are paying by check or money order, please write your benefit ID number on the check. **Please do not send cash.**

**Please note:** electronic check and Bill Me Later® require pre-registration by logging on to [www.caremark.com](http://www.caremark.com) or by calling Customer Care.

**4** How would you like to pay for this order? Fill in the oval to choose a payment.

☐ Electronic Check. Pay from your bank account. First time users register online or call Customer Care.

☐ Bill Me Later®. Works like a credit card. First time users register online or call Customer Care.

☐ Credit or Debit Card. (VISA®, MasterCard®, Discover®, or American Express®)

☐ Fill in this oval to use your card on file.

☐ Fill in this oval to use a new card or to update your card's expiration date.

CARD NUMBER YY

☐ Check or Money Order. Amount: \$

☐ Payment for Balance Due and Future Orders: If you choose Electronic Check, Bill Me Later®, or a Credit or Debit Card, we will also use it to pay for any balance that you owe and for future orders.

☐ Fill in this oval if you DO NOT want to use this payment method for future orders.

Credit Card Holder Signature/Date

Regular delivery is free and will take 7 to 10 days from the day you send this form. If you want faster delivery, choose:

☐ 2nd Business Day (\$17) Business days only Monday-Friday

☐ Next Business Day (\$23) Business days only Monday-Friday

Faster delivery charges may change. Faster delivery is for shipping time, not processing time. Faster delivery can only be sent to a street address, not a PO box.

### Step 5—Enclose your prescription

Make sure you enclose the original prescription(s) you receive from your doctor (not photocopies).

## Mail it in

Now, simply mail your order form along with your prescription(s) and payment in the envelope provided, or use your own envelope and mail the form and payment to the CVS Caremark Mail Service Pharmacy address printed on the form. Please be sure to fold the mail service order form along the fold lines so the CVS Caremark Mail Service Pharmacy address shows through the window of the envelope.

## Sign up for mail service with FastStart®

You have several options to get started. It's easy!

### By internet

1. Log in to [www.caremark.com](http://www.caremark.com) and sign in or register if necessary.
2. Click on *Start a New Prescription* and then click on *FastStart®*.
3. Fill in your information.

### By phone

1. Call FastStart® toll free at **1.800.875.0867** Monday through Friday, 7:00 AM to 7:00 PM(CT).
2. Let the representative know you wish to fill your prescription through mail service.
3. Provide the representative the information on your member ID card, the names of your long-term medicines, your doctor's name and phone number, your payment information and mailing address.

**Find an estimate of your medication cost with the Check Drug Cost tool from CVS Caremark®**

With the Check Drug Cost tool from CVS Caremark, you can find out if you're able to save money on your medications. Quickly check drug costs and see lower-cost options with the Check Drug Cost tool. All results are specific to you, your plan and where you are with your deductible. With Meritain Health® Pharmacy Solutions, powered by CVS Caremark, you have access to this drug cost tool at no additional cost.

Use the Check Drug Cost tool today at [Caremark.com](https://www.caremark.com) or the CVS Caremark mobile app to see if you can save money.

**To get started, just type in a prescription name and in a few seconds you can:**

Find out what you'll pay out of pocket (you may pay the full cost of your prescription if you haven't yet met your deductible).

See a list of lower-cost options you can ask your doctor about.

See how much you can save by moving your prescription to a 90-day supply.

# Cost Avoidance Research Effort (CARE) Program

Speak to a specialist about patient assistance research

**Have you ever been surprised by the cost of your medication?**

You may discover your insurance pays less

than you thought it would when filling your prescriptions. Patients who have difficulties paying their out-of-pocket costs can potentially find funding to cover what insurance doesn't. Your Meritain Health Pharmacy Solutions (MPS) CARE team is available to assist you in affording your high-cost specialty drugs.

After consulting with your physician, if you and your doctor decide to continue therapy with an excluded specialty medication, the CARE team can assist you with cost reduction research. Based on available programs open at the time, you can contact the CARE team to advocate on your behalf with drug procurement and cost reduction or elimination efforts. If funding cannot be secured for your medication, the CARE team can advocate on your behalf regarding potential coverage.

## CARE Program

**Helping you achieve better health at the lowest cost**

The CARE Program through MPS can proactively guide you towards cost savings.

**Our goal?** Reduce your overall spending while helping you find the best quality health care services.

The MPS CARE Program can help you with navigating high-cost specialty medications. Please call **1.800.830.2310** and select *option two* to start a review with a CARE specialist. A secure voicemail box will be available for you to provide information to a CARE specialist so they can best assist you.

We recommend providing your name, member ID number, medication name and best phone number to reach you.

**Meritain Health<sup>®</sup>**  
an  **aetna<sup>®</sup>** company

A CARE specialist will contact you to initiate research into available programs. This may require you to provide your social security number, yearly family income and individual email address.

MPS understands it's important you're involved in health care decisions that affect you. The decision to continue with the requested medication is between you and your physician.

**If you have more questions about your prescription drug benefit, please call the toll-free number on your prescription ID card to speak with a customer service representative.**

Maintenance Choice®

# Save with 90-day supplies

Fill your medications in 90-day supplies at a select participating pharmacy.

## A change is coming to your prescription benefit plan

Your plan offers Maintenance Choice, a program which gives you the option to pick up or get delivery of 90-day supplies of the medication you take regularly (for things like diabetes, high blood pressure, asthma, etc.) at select participating pharmacies.

The medications you take regularly will need to be filled in 90-day supplies at a select participating pharmacy. If you refill at another pharmacy, or in 30-day supplies, your medications won't be covered and you'll pay the full cost.

## Here's what you need to do

1. On or after your new plan's effective date, use the Pharmacy Locator Tool to find a participating pharmacy.

2. Ask your prescriber to send a new 90-day prescription to that pharmacy for pickup or delivery.

To find a participating pharmacy, visit [Caremark.com/PharmacyLocator](https://www.caremark.com/PharmacyLocator) or scan the code.

To scan the QR code:  
Open your camera.  
Scan the code.  
Tap the link.

Please note: You can still fill the prescriptions you take for a limited time (such as antibiotics) at any participating pharmacy in your plan's network.

## Performance Drug List - Standard Control for Clients with Advanced Control Specialty Formulary®

The **CVS Caremark® Performance Drug List - Standard Control for Clients with Advanced Control Specialty Formulary®** is a guide within select therapeutic categories for clients, plan members and health care providers. **Generics should be considered the first line of prescribing.** If there is no generic available, there may be more than one brand-name medicine to treat a condition. These preferred brand-name medicines are listed to help identify products that are clinically appropriate and cost-effective. Generics listed in therapeutic categories are for representational purposes only. This is not an all-inclusive list and does not guarantee coverage. This list represents brand products in CAPS, branded generics in upper- and lowercase *italics*, and generic products in lowercase *italics*.

### PLAN MEMBER

Your benefit plan provides you with prescription drug coverage that is administered by CVS Caremark. Ask your doctor to consider prescribing, when medically appropriate, a preferred medicine from this list. Take this list the next time you or a covered family member sees a doctor.

- Your specific prescription benefit plan design may not cover certain medications, products or categories, regardless of their appearance in this document. Medications and products recently approved by the U.S. Food and Drug Administration (FDA) may not be covered immediately upon release to the market.
- Your prescription benefit plan design may alter coverage of certain products or vary cost sharing amounts based on the condition being treated.
- You may be responsible for the full cost of medications and products that are removed from coverage.
- For specific information regarding your prescription benefit coverage and cost sharing, or if you have additional questions, please sign in or register on [Caremark.com](https://www.caremark.com) and click **Plan Summary on the Plan & Benefits** menu.
- When a generic medication that is equivalent to a brand-name drug is released to the market, in most instances, that brand-name drug will be designated as a non-preferred option.

### HEALTH CARE PROVIDER

Your patient is covered under a prescription benefit plan administered by CVS Caremark. As a way to help manage health care costs, authorize generic substitution whenever possible. If you believe a brand-name product is medically necessary, consider prescribing a brand name on this list.

- The member's prescription benefit plan design may alter coverage of certain products or vary cost sharing amounts based on the condition being treated.
- This drug list represents a summary of prescription coverage. The member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance in this document. Products recently approved by the FDA may not be covered immediately upon release to the market.
- The member's prescription benefit plan may have different cost sharing for specific products on the list.

- Unless specifically indicated, drug list products will include all dosage forms.
- Log in to [Caremark.com](https://www.caremark.com) to check coverage and cost sharing information for a specific medicine.

**FOR YOUR INFORMATION:** New-to-market products and new variations of products already in the marketplace will not be added to the formulary immediately. Each product will be evaluated for clinical appropriateness and cost-effectiveness. Recommended additions to the formulary will be presented to the CVS Caremark National Pharmacy and Therapeutics Committee (or other appropriate reviewing body) for review and approval. Listed products may be available generically in certain strengths or dosage forms. Dosage forms on this list will be consistent with the category and use where listed.

Formulary removals/drugs not included on the preferred options list may be covered by the plan when preferred options are not clinically appropriate. For more information, please sign in or register on [Caremark.com](https://www.caremark.com) and click Plan Summary on the Plan & Benefits menu.

Drug products are identified by unique numerical product identifiers, called National Drug Codes (NDC), which identify the manufacturer, strength, dosage form, formulation and package size.

Some listings do not include certain NDCs as noted above.

An ACCU-CHEK or TRUE METRIX blood glucose meter may be provided at no charge by the manufacturer to those individuals currently using a meter other than ACCU-CHEK or TRUE METRIX. For more information on how to obtain a blood glucose meter, call: 1-877-418-4746.

BD ULTRAFINE or EMBECTA ULTRAFINE (except certain NDCs) syringes and needles are the only preferred options.

ACCU-CHEK or TRUE METRIX (Trividia manufactured NDCs) brand test strips are the only preferred options.

ACCU-CHEK lancets and lancing devices are the only preferred options.

Generic multivitamins (except Activite, Dexifol, HylaVite, Multipro, TronVite, Vitasure) are the only preferred options.

Generic prenatal vitamins are the only preferred options.
